This document specifies the regulations for tiebreaks and playoffs for all events comprising the 2024 Grand Chess Tour (GCT) as well as for circumstances where there is a tie in 2024 Tour Points at the end of the 2024 GCT season. A playoff shall only take place in the event of a tie for first place in an individual event or in the final GCT standings.

### 2. Regulations in the case of ties for first place in any of the GCT Rapid & Blitz Events

- 2.3. The players involved in the tie shall initially contest a Rapid or Blitz Round Robin, with the pairing numbers determined in the following tie-break order, with player 1 having the best tie-breaks: Most wins, most blacks, direct encounter, drawing of lots.
  - 2.3.1. Where there are two players in the tie, they shall contest a Rapid Double Round Robin (a mini-match consisting of two games) where the time limit shall be game in 8 minutes with a 3 second increment per move from move 1.

\$5,000 of the prize money for first place shall be awarded to the winner. The balance of the prize money for first place as well as the prize money for all the other places of players involved in the original tie shall be shared equally amongst all those players, including the winner.

- 2.7. The playoff shall not affect the distribution of event Tour Points, which shall be divided evenly amongst all players involved in the tie for first place. No Tour Points bonus will be assigned if a playoff is required to determine the winner of an event.
